About Uka Tarsadia University

Bardoli Pradesh Kelvani Mandal (BPKM) is an education trust established in 1960 with the aim of imparting of higher education opportunities in and around the rural area. BPKM has started a self-financed college named as Department of Mathematics (DoM). The Department offers Integrated M.Sc. Mathematics, M.Sc. Mathematics and Ph.D. under the roof of Uka Tarsadia University with the view of educating and training future mathematical professionals to lead today's competitive environment and to meet the needs of globalization and industrialization by providing active and conducive learning environment.

About the Department

Department of Mathematics was established in year 2015 with the objective to provide mathematicians with analytical skill through analytical subject courses. It offers the best in terms of infrastructures with well designed auditoriums, seminar halls and classrooms equipped with computer and advanced teaching aids with Wi - Fi technology, to be rigorously used by the students and faculty alike in order to derive maximum learning experience.
