

Art of Introduction

One the very first day of soft skills to make the students comfortable & increase their self-confidence the activity of passing the parcel & music is been played in background and they give introduction turn by turn in unique way which helps them to talk informally when they meet unknown person.

Art of Speaking

In this activity they have to prepare the speech & speak out through which their self-esteem increases which helps to boost theirsself-confidence.

Art of Working in Team

In this a group 12-15 people work in group and perform 12 task and 4 Observers would be there who would evaluate their task. Through this activity they learn to manage time, delegate the task and work in team.

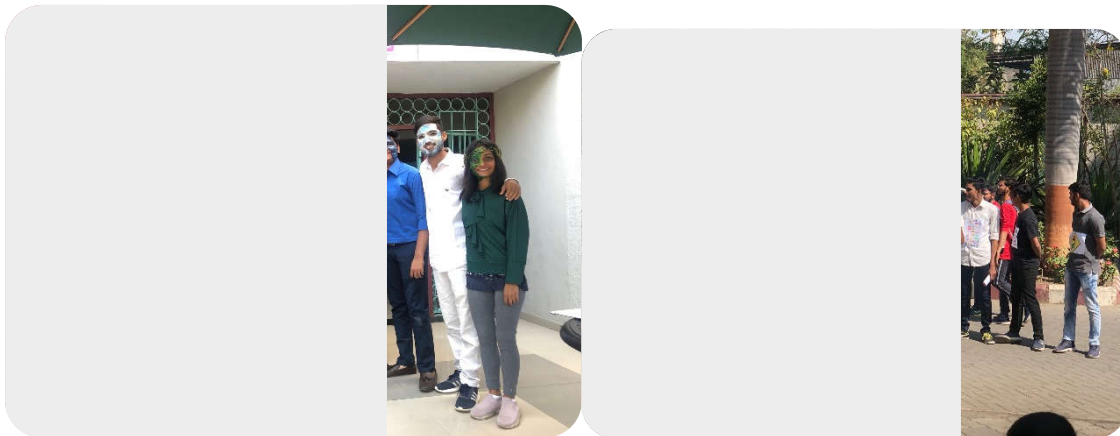

Art of handling pressure

In this activity they perform role play in which different situation are been given in which they will act & perform and in which way they can deal the negative pressure and be positive.

Street Play

In order to be the change and bring the change in the society street play is been done on various topics like No Discrimination Save Environment No Domestic violence so on to create awareness in the surrounding.

Mock Interview

In this activity mock interview is been done so as the students can face the general question and Basic Etiquettes to be followed while facing an Interview.
