

*Three day Workshop on
Hands on Training:
Solar Photovoltaic
May 10-12, 2018*

REGISTRATION FORM

Full Name: _____

Department: _____

University: _____

Pin code: _____

Gender (M / F): _____

Phone : _____

E-mail: _____

Signature of the Applicant

Date

Signature & Seal of Head of Institute

Note:

The completed registration form should be sent in a hard copy containing signature and seal of head of department/institute or candidate can also send their signed and scanned registration form to the Convener e-mail ID or send via whats up.

*We don't want to melt the polar,
So we should all use
SOLAR*

About Program

Solar Photovoltaic (PV) is mounting branch in science and technology. The proposed program aimed to convey recent trends, advancement and challenges in field of solar photovoltaic. Hands on training initiative introduce to understand the practical knowledge of Solar Photovoltaics (SPV). The workshop will also provide hands on training on solar cell modules and simulation assignments related to solar photovoltaic systems. As a part of program, we are also planning visit to Solar Panel manufacturing plant.

Specially for

B.Sc. (Physics) final year students

*Three day Workshop on
Hands on Training:
Solar Photovoltaic
(HTSP-2018)*

May 10-12, 2018

Organized by

**Department of Physics,
Uka Tarsadia University,
Bardoli-394120, Dist. Surat,
Gujarat, India**

Uka Tarsadia University:

Uka Tarsadia University was established in 2011 by Bardoli Pradesh Kelavani Mandal, with an objective of meeting the growing demand for quality education. The University offers a comprehensive array of academic programs across the disciplines of Management, Commerce, Engineering and Technology, Architecture, Design, Applied Science (Chemistry, Physics, Mathematics, Biotechnology), Computer Science, Microbiology, Pharmacy, Nursing, Physiotherapy, Physical Education and others that lead students to self-enrichment and productive careers in their respective professions, government, business and industry. Located near the town of Bardoli, Gujarat, on a 100 acre land, the university provides educational opportunities to over 9500 students.

Department of Physics:

Established in 2015, the department aims to create a world class teaching and research facility in the area of fundamental and applied physics. It offers a **5-year Integrated M.Sc. Physics** programme and **2-year M.Sc. Physics**. The programme is designed to prepare undergraduate and postgraduate students to contribute new concepts and technologies, through innovative teaching methods that combine student-faculty interactions, computer-based education, and hands-on experience in modern laboratories.

Course Content

The will be a blend of mainly outdoor experiments along with minimal class room lectures.

- ✓ Fundamental of solar photovoltaic (SPV)
- ✓ Hand-on experiments of SPV
- ✓ Industrial visit at WAREE Energy Ltd.

Registration Details:

- ✓ **Course Registration Fee: Rs.500/-**
- ✓ Registration fee includes course material, Lunch, and tea
- ✓ Spot registration may be permitted in case of available vacancies.

Accommodation:

The accommodation can be arranged upon prior request on payment basis in hostel.

Importance Dates:

- ✓ **Registration last date: 1 May, 2018**
