University level Event	Terrarium Making Competition
Organized by	Kishorbhai Institute of Agriculture Sciences and Research Centre, Uka Tarsadia University
Date of the event & Venue	<ul style="list-style-type: none"> ❖ Workshop on January 17, 2024 (Class room 4, CGBIBT) ❖ Competition on January 24, 2024 (Biochemistry and Botany Lab, CGBIBT) ❖ Exhibition on January 24, 2024 (Besides Plant Tissue Culture Lab, CGBIBT)
Guest of Honour	Shri. Sureshbhai Hatkar (Former General Manager, Zandu Pharmaceutical Ltd., Vapi/Mumbai)
Judges for the event	<p>Mr. Krutarth Patel (CGPIT, UTU)</p> <p>Dr. David Olugbenga Adetiton (Nigeria)</p> <p>Dr. Oyedeji Stephen (Nigeria)</p>

Event Organizers	Dr. Ankit Chaudhary (KIASRC) Ms. Snaa Mistry (KIASRC)
Event Coordinators	Dr. Nikunj Sohaliya, Dr. Vikram Shiyal, Dr. Kala Chaudhary, Dr. Hemant Bagul, Mr. Keyur Goswami & Mr. Ripal Patel
Event Winners (Total Participants 47) 19 M/ 28 F	Winner: Krutarth Patel & Group (KIASRC) Runner up: Viral Gamit & Group (KIASRC) 1st Runner up: Rishita Trivedi & Group (CGBIBT)

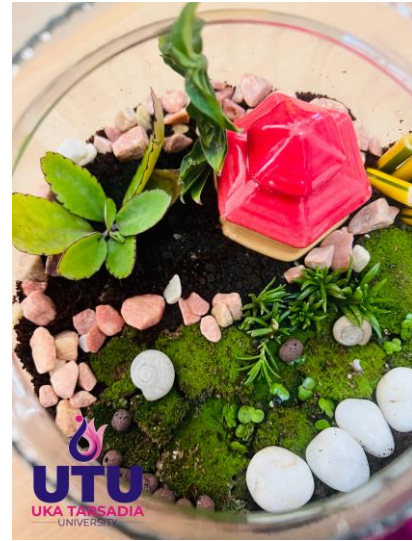

Terrarium Making Workshop

On 17th January, the KIASRC hosted a terrarium making workshop led by Ms. Snaa Mistry and Dr. Ankit Chaudhary. The workshop attracted more than 60 participants from different institutes of the university, who learned how to create their own terrariums using glass containers, succulents, soil, sand, rocks, moss, and other decorations.

The workshop was a hands-on learning experience, where the participants followed the instructions and guidance of the experts to design, plant, and care for their terrariums. They also had the opportunity to customize their terrariums with stencils, paints, and markers. The workshop was a fun and relaxing activity that allowed the participants to unleash their creativity and enjoy the benefits of terrariums.

The KIASRC provided refreshments for the participants and thanked them for their enthusiasm and participation. The workshop was a success and received positive feedback from the participants, who expressed their satisfaction and appreciation for the workshop.

Terrarium Making Competition

A terrarium making competition was organized by Kishorbhai Institute of Agriculture Sciences and Research Centre (KIASRC) of Uka Tarsadia University on 24 January 2024. The competition was open to students of various institutes who were interested in creating their own micro ecosystems using glass containers and plants. The competition aimed to promote awareness and appreciation of nature and biodiversity among the students.

The competition received 12 outstanding entries from different institutes, each showcasing a unique theme and design of terrarium. Some of the themes included desert, forest, aquatic, fairy garden, and zen garden. The terrariums were judged based on their creativity, aesthetics, functionality, and sustainability. The judges were impressed by the variety and quality of the terrariums and praised the students for their efforts and skills.

The winners of the competition were announced as follows:

- First prize: **Krutarth Patel and group** from KIASRC for their terrarium themed on **Japanese/Zen Garden**.
- Second prize: **Viral Gamit and group** from KIASRC for their terrarium themed on **Rainforest**.
- Third prize: **Rishita Trivedi and group** from CGBIBT for their terrarium themed on **Fairy Garden**.

Terrarium Exhibition

On 24 January 2024, Kishorbhai Institute of Agriculture Sciences and Research Centre (KIASRC) of Uka Tarsadia University organized a terrarium making exhibition. The exhibition was held after a terrarium making competition. The winners were awarded certificates and medals by the director of KIASRC, Prof. Dr. R. Krishnamurthy and Guest of Honour, Shri. Sureshbhai Hatkar.

They congratulated the winners and all the participants for their enthusiasm and talent. They also encouraged them to continue exploring and learning about the wonders of nature and its conservation.

The terrarium making exhibition was a successful and enjoyable event that showcased the creativity and passion of the students. It also served as a platform for them to learn and share their knowledge and experiences with each other. The volunteer and coordinators of the fest were also awarded with certificates for their hard work and dedication. The exhibition was appreciated by the students, faculty, and guests who attended the event.
