

Department of Chemistry

Name	Dr. Parth Naik
Address	Department of Chemistry, Uka Tarsidia University
Designation and Current Position	Assistant Professor
Email	Parth.naik@utu.ac.in
Qualification	B.Sc, M.Sc, M.Phil, Ph.D
Area of interest	Drug Synthesis
Teaching Experience	7 years
Current Position	Assistant Professor
Achievements	
List of Publications	<ul style="list-style-type: none"> ❖ P.J. Naik and P.S.Desai Synthesis and biological evaluation of azitidinone and their derivative as antimicrobial agents. Advances in Applied Science Research, 4(4),2013. ❖ P.J. Naik and P.S.Desai Synthesis, characterization and antimicrobial activity studies of(E)-1-cyclopropyl-6-fluoro-7-(4-(4-(2-isonicotinoyl-hydrazinyl)-6-(2-(4-substituted-benzylidene)-hydrazinyl-1,3,5,-triazin-2-yl)-piperazin-1-yl)-4-oxo-1,4-dihydroquinoline carboxylic acid. Der Chemica Sinica,4(4) 2013. ❖ P.J. Naik and P.S.Desai synthesis, characterization and antimicrobial activity studies of (e)-n'-(2-(2-(substitutedbenzaldehyde) hydrazinyl) quinazoline-4-yl) isonicotinohydrazide. Journal of Environmental Research And Development 8(3),2014. ❖ P.J. Naik and P.S.Desai Synthesis, Characterization and Antimicrobial Activity Studies of N'-(2-(3-Chloro-2-Oxo-Substitutedazetid-1-Ylamino) Quinazolin-4-Yl) Isonicotinohydrazide. Discovery,17(47),2014. ❖ P.J. Naik and P.S.Desai Thiazolidinone As An Antimicrobial Agent: Synthesis And Biological Evaluation Of Their Derivative. International Journal of Innovative Science, Engineering & Technology, 3(2), 2016.
