UKA TARSADIA
UNIVERSITY

MALIBA CAMPUS, BARDOLI.

Uka Tarsadia University

Uka Tarsadia University (UTU) was established in the year 2011 by the well-known philanthropic trust Bardoli Pradesh Kelavani Mandal with a social cause of imparting quality higher education to the community in South Gujarat.

The University is UGC-approved and NAAC-accredited and sprawls over 120 acres of lush green surroundings near Bardoli. The Wi-Fi enabled campus now houses some of the top ranking institutes and departments offering over 80 programs under various disciplines like Engineering & Technology, Computer Science, Medical & Paramedical sciences, Pharmacy, Science, Commerce & Management, Humanities, Architecture, Design & Planning and Agricultural Science.

The alumni of UTU are reaching new horizons as successful entrepreneurs, or employees in well-known companies or pursuing higher education in various universities in India and abroad.

Maliba Pharmacy College

Over a span of 22 years, Maliba Pharmacy College has emerged as one of the leading and fastest growing pharmacy institute in the state of Gujarat, delivering quality professional education.

Its continued endeavor to achieve excellence has earned it an enviable reputation in academics and research in the state of Gujarat and the neighboring states. Strong alumnus and industry-institute interaction has provided a platform for placements in organizations of repute.

Dr. Chunibhai Vallabhbhai Patel College of Pharmacy

Pharmacists play an important role in the healthcare system by conducting knowledge-based research, manufacturing, and distributing high-quality medications and pharmaceuticals.

To cater to the increasing needs of the students of the region and the pharma industry, in the year 2022, Uka Tarsadia University has established another premier institute, Dr. Chunibhai Vallabhbhai Patel College of Pharmacy situated in the picturesque campus of the university on Bardoli-Mahuva Road.

The institute offers B.Pharm. programme which is PCI-approved. It is well equipped to produce quality pharmacy professionals through modern pedagogy for student-centric learning, state-of-the-art laboratories, focus on skill development and a positive learning environment aligned with the industry and societal needs.
