

Abstract Submission Guidelines

Important Dates:

The last date for abstract submission is **24th February 2018**

Abstract Submission:

Participants are cordially invited to submit their abstracts based on their research or practice in advance with the guidelines mentioned below.

It is mandatory for the presenting author to be a registered delegate. Abstracts sent by presenters who are not registered will not be included in the conference proceedings.

Peer review by experts will determine acceptance or rejection of abstracts. The corresponding author will be informed via e-mail. The committee decision will be final & cannot be appealed.

Abstracts cannot be identical to any abstract that has previously been presented at major national, international conferences or published in a medical journal.

The presenting author will have to register, attend the conference & present the abstract as scheduled by the conference coordinator.

Instructions for Abstract Preparation:

Title of the study

Presenting Author's and Co-Authors details

Affiliation details- Department, Institution/hospital, city, state, country

Contact details: E-mail address & Mob.no.

Abstract title - Limited to 20 words in UPPPER CASE

Abstract text - Limited to 150 words excluding the title and affiliations.

Abstract should include methodology, result, conclusion and keywords.
