<b>Date and time</b>	26 <sup>th</sup> June 2024, Time: 09:30 AM
<b>Venue</b>	Dr. Jatin Desai Auditorium

## About Asha M. Tarsadia Institute of Computer Science and Technology

Asha M. Tarsadia Institute of Computer Science and Technology (AMTICS) is a constituent institute of Uka Tarsadia University, Maliba-Campus. AMTICS is established with a mission to promote a strong and transformative technical educational environment that fosters teaching and learning in fundamentals and applied areas leading to indigenous sustainable technologies. The institute is committed to provide an open platform for diverse voices where the teaching-learning process is parallel to real-world applications. The student gets nurtured under well-experienced academicians, researchers, and industry experts who are dynamically involved and committed to tackle cutting-edge societal and technological problems around the globe.

## About Expert Talk

The session commenced with the introduction of the invited speaker, followed by the transfer of the session to the expert. Mr. Hindustani Modi began his talk by recounting his personal journey from being a college student to becoming the CEO of IQONIC Design company. Drawing from his extensive experience in placements and interviews, he proceeded to guide the audience through the entire journey of securing placements.

Initially, Mr. Modi emphasized the essential skills that students should cultivate for interviews. He then delved into the importance of having clear proficiency in both technological and personal skills. Furthermore, he highlighted crucial points that students should be mindful of during interviews. Towards the conclusion of his talk, Mr. Modi expanded on considerations beyond placements, encouraging students to consider entrepreneurship. He provided valuable insights into the dos and don'ts of starting and running a business. Finally, he wrapped up the session with a summary of key points.

The session concluded with a lively Q&A session where students engaged actively, posing numerous questions related to placements, all of which Mr. Modi addressed sincerely and comprehensively.
