## About Asha M. Tarsadia Institute of Computer Science and Technology

Asha M. Tarsadia Institute of Computer Science and Technology (AMTICS) is a constituent institute of UkaTarsadia University, Maliba-Campus. AMTICS is established with a mission to promote a strong and transformative technical educational environment that fosters teaching and learning in fundamentals and applied areas leading to indigenous sustainable technologies. The institute is committed to provide an open platform for diverse voices where the teaching-learning process is parallel to real-world applications. The student gets nurtured under well-experienced academicians, researchers, and industry experts who are dynamically involved and committed to tackle cutting-edge societal and technological problems around the globe.

## About Workshop

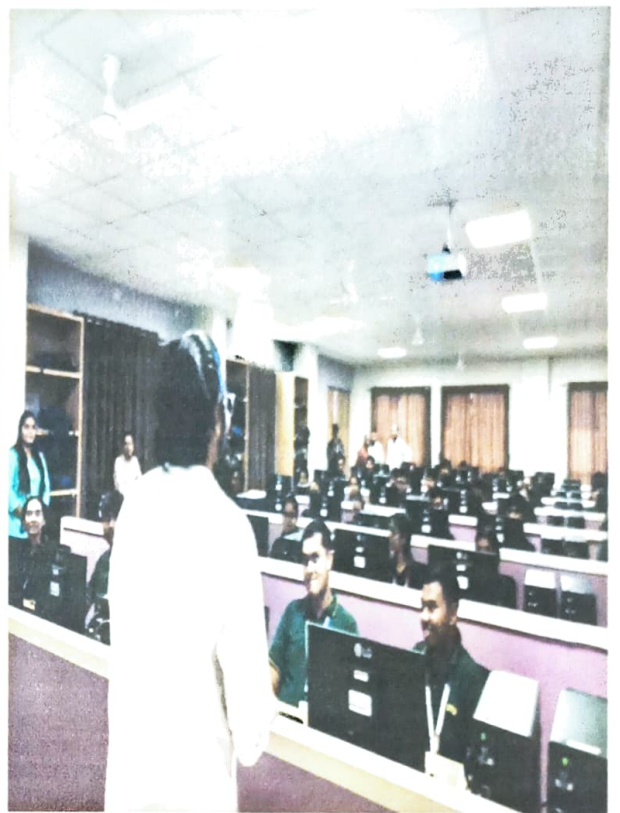

The session commenced with the introduction of the invited speaker, followed by the transfer of the session to the expert. Mr. Kelvin Bhavsar is a Senior Software Development Engineer, who is specialized in Flutter Development. He works in Doc2U Pvt. Ltd., Toulouse, France.

The session aimed to provide students with practical knowledge and hands-on experience in building mobile applications with Flutter, focusing on Dart and widget implementation. The key topics covered were Introduction to Flutter, Flutter Basics, Widget Implementation, Building a Simple Application, Advanced Flutter Concepts. The workshop enhanced students' knowledge of Flutter and Dart, enabling them to develop cross-platform mobile applications. Participants gained hands-on experience in setting up the development environment, implementing widgets, and building a basic Flutter application.

The session concluded with a lively Q&A session where students engaged actively, posing numerous questions related to Flutter Development Application, all of which Mr. Kelvin Bhavsar addressed sincerely and comprehensively.
