Asha M. Tarsadia Institute of Computer Science and Technology

Uka Tarsadia University

A Report on Magazine Launch Ceremony

"Excuse me AMTICS!"

Title	"Excuse me AMTICS!" Magazine Launch Ceremony
Organizing Department	Department of Computer Science and Engineering
Chief Patron	Dr. Vishvajit Bakrola, I/C Director
Coordinator(s)	Ms. Vidhi Patel
Institute	Asha M. Tarsadia Institute of Computer Science and Technology, Bardoli.
Participants	All students and Faculty members
No. of attendees	500+
Date and time	18th July 2024, Time: 10:30 AM
Venue	Director Office-BC wing corridor, AMTICS

About Asha M. Tarsadia Institute of Computer Science and Technology

Asha M. Tarsadia Institute of Computer Science and Technology (AMTICs) is a constituent institute of UkaTarsadia University, Maliba-Campus. AMTICS is established with a mission to promote a strong and transformative technical educational environment that fosters teaching and learning in fundamentals and applied areas leading to indigenous sustainable technologies. The institute is committed to provide an open platform for diverse voices where the teaching-learning process is parallel to real-world applications. The student gets nurtured under well-experienced academicians, researchers, and industry experts who are dynamically involved and committed to tackle cutting-edge societal and technological problems around the globe.

About Magazine Launch Ceremony

The launch ceremony for "Excuse me AMTICS!" magazine was an extraordinary affair, held at Director office BC wing corridor, AMTICS on 18th July, 2024. It was a morning dedicated to celebrating the inaugural issue of this groundbreaking publication, which promises to redefine the discourse around fortnight flash, the tales of AMTICS, the echoes of innovation and glimpse ahead. The event featured engaging keynote speeches, captivating panel discussions, and interactive sessions that highlighted the magazine's innovative content and its potential impact. Guests were treated to a preview of articles that delve into reflecting a blend of insightful analysis and compelling narratives. The ambiance buzzed with enthusiasm and anticipation, marking the beginning of an exciting journey for "Excuse me AMTICS!". In conclusion, a magazine launch event was not just about celebrating the publication's debut but also about setting the stage for its future success.
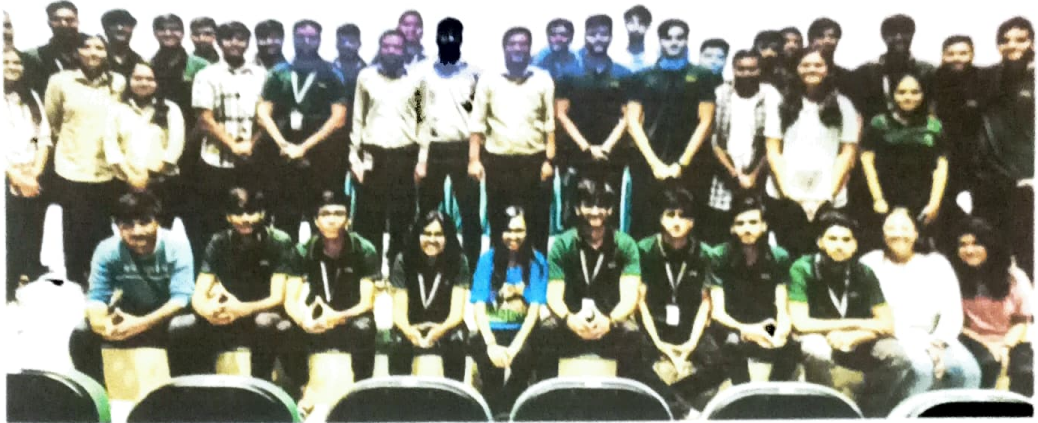

Excuse me AMTICS!

WE ARE AMTICS!

The Asha M Tarsadia Institute of Computer Science and Technology, a constituent institute of Uka Tarsadia University, was established in 2021 with a vision to be a distinguished research and teaching institution. Our goal is to drive progress in computer science and allied engineering disciplines while cultivating exceptional technical talent and creating technological solutions that profoundly influence society. The institute's motto, सिद्धिर्भवति कर्मजा, is derived from verse 12 of chapter 4 of the Shrimad Bhagavad Gita. This profound verse encapsulates the timeless wisdom that underscores the importance of dedicated action. The institute strives to fulfill its vision and mission, adding one feather at a time with a constant pace.

In 2021, the institute embarked on its journey with an energetic and vibrant batch of 127 students. Over the past three years, through unwavering dedication, innovative teaching methods, and a commitment to excellence, our community has flourished. Today, in 2024, we proudly celebrate a remarkable expansion, with our family now comprising over 1,000 passionate and driven individuals. This significant growth is a testament to our dynamic environment, fostering a culture of learning, industry-academic collaborations, co-curricular and extra curricular activities, and continuous improvement. Together, we are building a brighter future, united by our shared values and collective aspirations.
