No. of attendees	34
Date and time	15 th July 2024, Time: 09:00 AM
Venue	B-102, AMTICS

About Asha M. Tarsadia Institute of Computer Science and Technology

Asha M. Tarsadia Institute of Computer Science and Technology (AMTICS) is a constituent institute of UkaTarsadia University, Maliba-Campus. AMTICS is established with a mission to promote a strong and transformative technical educational environment that fosters teaching and learning in fundamentals and applied areas leading to indigenous sustainable technologies. The institute is committed to provide an open platform for diverse voices where the teaching-learning process is parallel to real-world applications. The student gets nurtured under well-experienced academicians, researchers, and industry experts who are dynamically involved and committed to tackle cutting-edge societal and technological problems around the globe.

About World Youth Skill Day

In 2014, the United Nations General Assembly declared 15 July as World Youth Skills Day to celebrate the strategic importance of equipping young people with skills for employment, decent work and entrepreneurship, as well as for addressing global challenges and advancing sustainable development.

The theme for World Youth Skills Day 2024 is Youth Skills for Peace and Development. It highlights the crucial role that young people play in peace building and conflict resolution efforts.

The world faces a multitude of challenges today, many of which affect the youth. Violent conflicts disrupting education and stability, a polarized online environment fostering negativity, and persistent economic inequality limits opportunities. These issues threaten not only individual futures but also the overall stability of societies. It is crucial to equip youth with the necessary skills for fostering a culture of peace, nurturing responsible global citizens, and promoting sustainable development to build a more just, inclusive, and sustainable future for all.

World Youth Skill Day 2024 Celebration

The celebration commenced with the introductory information about World Youth Skill Day and its importance in today's time. Dr. Vishvajit Bakrola, I/C Director, AMTICS shared his views upon the importance of skills in youth, and why the skills need to be nurtured in the right way to contribute towards the society.

As a part of celebration, Elocution and Essay Writing competitions were organised on the topics: (1) Youth Skills for Peace and Development (2) AI skills for future work. Students from 1st, 2nd and 3rd year participated with the great enthusiasm and presented their unique views on the topics.

Vishvendu Bhatt, Coordinator of World Youth Skill Day celebration shared the feedbacks to the participants of Elocution and Essay Writing competitions and conclude the celebration with the vote of thanks to the Director, AMTICS, Juries of the competitions, Students coordinators and participants.

The winners, participants and student coordinators are awarded with the e-Certificates.
