

NSS of Uka Tarsadia University

Write -Up on Ukadao Distribution at Goji Village

Date: 19-06-2020

National service scheme unit of Uka Tarsadia University in association with Jan Seva Kendra of Bardoli organized one-day COVID-19 immunity booster Ukala distribution Campaign on 19th June 2020 at Goji Village. The motive behind this programme was to raise awareness of COVID-19 disease among the villagers and also to provide a temporary cure of COVID-19 by distributing Ukala among Villagers. NSS programme officer's Dr Divya Gadaria along with other staff members of Social Service club Ms Bhoomi Patel, Mr Taral Patel and Mr Gaurang Pandya manage the task. A team of office attendants along with faculty visited the village for the distribution. They set up their camp at Primary school at Goji. Deputy Sarpanch Shri Ranjitbhai gave his full support by creating awareness among villagers in one day advance. Primary health workers also participated in the programme. Aanganwadi worker, school teachers motivated villagers to take the benefit of the drink. More than 450 villagers were served the hot ayurvedic drink. The Ukalo distributed at 11.30 pm so that farm labors can have the maximum advantage of it. The camp was organized from 10.30 to 1.30 P.M. We received fabulous response from villagers. They appreciated our efforts. The NSS and Social Service Club has organized such free distribution camp in near by villages. Till date more than 15 villages are reached.
