

International Mother Language Day celebration

Organizer: SRIMCA-MBA, Uka Tarsadia University, Bardoli

Date: 20th February, 2020

A language is much more than just a way of communicating. Language, and particularly our mother tongue, is an important part of our culture. Some people even think that our language can change how we see the world. There are about 6,500 languages in the world, but did you know that a language disappears and dies every two weeks? On 20th February, 2020, as a part of "Matribhasha Diwas" celebration, SRIMCA-MBA organized Poem recitation and storytelling competition whereby more than 18 students have participated enthusiastically and shared inspirational stories. This competition has presented platform to students to improve their linguistic skills. Following is result of competition.
