

Presentation Competition

Lessons from life of Lord Krishna

Date: 23rd August, 2019

Spirituality means something different to everyone. It is a shared belief among researchers that spirituality provides a powerful argument for the proposition that higher education should attend more to students' spiritual development, because spirituality is essential to students' lives. Keeping this in mind, Spiritual club of SRIMCA-MBA has organized Presentation competition on the theme "Lessons from life of Lord Krishna" as on 23rd August, 2019 whereby students exhibited fundamental lessons like decision making power, time management, stress management and many more from life of Lord Krishna. More than 9 teams of students participated with great enthusiasm. The event ended up with a positive learning of management lessons. Department congratulates following winner and runners up team.

Position	Name of Students
