

SRIMCA-MBA Faculty Development Program

Date: 19th February 2021

A Faculty Development Program has been organized by Center of Humanities for the faculties of SRIMCA-MBA. As a part of this program the participants have presented various cases on the real life situation. The participants presented cases on topics related to “Corporate Issues”, “Issues faced by entrepreneurs”, “Practices Healthcare Sector”, “Ecological footprint”, and “Product Innovation”. The presentation and discussion on the various cases were very intense. The discussion among participants on various case explore theories related to various subjects and it set a perfect example of case based learning. The FDP end with comment on various evaluation parameter by Dr. Rozy Patel.
