An expert session on ‘Power of Questions’ and ‘Magical MBA’ was organized by SRIMCA – MBA for FYMBA students as part of the orientation program. The session was conducted by Dr. Nirav Majumdar, the alumni of Uka Tarsadia University and trainer by profession. The main focus of the session was to teach students in giving maximum efforts from the very beginning to make their journey easier after MBA. He taught the difference between ‘Expectations’ and ‘Performance’ and how one should always expect less from others and more from oneself by trusting the process and focusing on one thing at a single time. He discussed three main traits required during and after MBA which are ‘Focus, Creativity and Communication skills’. He showed the importance of working in a team and also explained why networking is more important along with working.
