To nurture practical application of the theory, SRIMCA-MBA, UTU organized an Industrial visit to Jainam Broking House, Surat. The visit started with the Session by Mr. Tejash Jariwala- Research Head, Fundamental Analysis. He gave insights about the styles he used in fundamental analysis. During his session he shared various insights on how to avoid mistakes on picking wrong stocks, how to avoid selling a good stocks and also gave systems for stock selections.

The another session was conducted by Mr. Kiran Jani- Head- Technical Research. He shared that not only fundamental analysis is helpful but combination of fundamental and technical analysis helps in the market to earn the profits. He shared various insights of entry and exit using chart patterns.

Students lastly visited the different department of Jainam and get an insight about the functionality of each department and career opportunities of MBA finance. Lastly, they met, Mr. Milan Parikh- Director of Jainam Broking House. He shared his wisdom with the students through Q&A.
