Schedule of Events

Time	Activity
12:30- 2:30	Industrial Practices and Techniques in Fund and Fund Management

On **October 10, 2024**, SRIMCA-MBA at Uka Tarsadia University organized an insightful expert session for **MBA Finance students**, featuring **Mr. Siddharth Mandalaywala**, the **Fund Manager at Concept Investwell**. The talk, which took place from **12:30 to 2:30 PM**, focused on the theme of **"Industrial Practices and Techniques in Fund and Fund Management"**.

Mr. Mandalaywala shared his extensive experience in the financial markets, providing students with practical knowledge about fund management, investment strategies, risk assessment, and the current trends in the financial industry. He elaborated on the importance of thorough market research, fundamental analysis, and risk diversification to optimize portfolio performance.

The interactive session allowed students to gain valuable insights into real-world fund management practices and techniques that are pivotal in shaping successful investment decisions. Mr. Mandalaywala also addressed queries from the students, emphasizing the need to stay updated with the latest developments in financial markets and how adapting to these changes can impact investment outcomes.

The session concluded with a vote of thanks, acknowledging Mr. Mandalaywala's valuable contribution to enriching the students' understanding of fund management. The event was well-received by the participants, marking another successful initiative by SRIMCA-MBA to bridge the gap between academia and industry.
