Department of Applied Science, Uka Tarsadia University celebrated, the 11th sports week with great enthusiasm on the 1st – 3rd of January 2025. To preserve and increase physical ability and respective skills while providing enjoyment to participants and entertainment for audiences, we at the Department of Applied Science celebrated three sports days governed by a set of rules ensuring fair competition. Each member of the Department of Applied Science actively participated in each indoor and outdoor game. By watching the spirit and enthusiasm of students, faculty members also played many games with students. Sports Day is a day of honoring and awarding the talented students who are participating in sports inside the campus. Intramural tournaments help to reduce stress, enhance leadership quality and are a good way to meet new people and make new friends for the students.

Dr Mr Hitesh Rajput, Anand Patel, Dr Dharmesh Chejara and Mr. Ankit Patel organized the whole event along with the support of staff members from the Department of Applied Science. Almost 74 (28 girls and 46 boys) students participated with great enthusiasm; all the participants played various games in this festive with healthy competition between different classes of the institute. All the staff members contributed greatly to it in both ways of participation and organization.

Department of Applied Science has organized an auction-based Applied Science Premier League for Cricket in which 4 faculties have acted as owners followed by an auction on 10th January 2024. Each owner has been allotted a maximum of 2000 points to build his team of 15 members.

The following games were held during the sports event: - **Cricket, Volleyball, Badminton, Table tennis and Chess.**
