

Elocution competition Report

Elocution competition was held on the auspicious occasion of the 3rd foundation day of Diwaliba polytechnic 18th July 2018 (Wednesday) in the seminar hall. Twelve students (Table 1) took part in the competition and express their views on given topics. The topics were related to innovation, social and environmental issues which are mention in Table 2. The speeches were exciting and judging the winners was difficult. Three judges were appointed to witness the competition (Table 3). They selected first, second and third from registered candidates mention in Table 4. The selection was based on mainly three criteria's i.e. content, fluency, and body language. This competition at the college level gives students a good opportunity to combat the biggest fear factor i.e. stage fear. The participants showed their confidence, expression, and talent. The honorable judges really appreciated and applauded the students.
