Date: 01/02/2023

Training session on: "Preparing Articles from Bamboo"

Objective”

Students can learn how to make various items from bamboo and how to turn it into a large-scale enterprise.

Activities carried out:

Three students from our institute (Bhavya Jha, Hiten Patel, and Jakesh Patel of the 6th semester of Environmental Engineering) took part in a two-day outdoor training session for "Preparing Articles from Bamboo."

On **1st Feb, 2023**, four faculty members from Diwaliba Polytechnic College (Prof. Hardik Desa, Prof. Vijay Shah, Mr. Sunil Valand, and Mr. Gaurav Misty) visited the site near Gira Waterfall in Daang and encouraged students to participate in such activities in the future
