The student orientation program is tailored to assist newcomers in adapting seamlessly to their academic environment and integrating into campus life.

Purpose:

- To welcome new students to the institution.
- To provide essential information about academic programs, campus facilities, and student services.
- To facilitate social integration and help students form connections with peers, faculty, and staff.
- To address any questions or concerns new students may have.

EVENTS ON DAY-2

Session 1: Training & Placement

In the first session of the day was started by Dr. Ankit Chaudhary (Training and Placement Co-ordinator, KIASRC, UTU) with the introduction to training and placement services of the university. He guided the students about technical skills and soft skills which plays a crucial role in improving student's personal and profession growth. He explained the registration process and eligibility criteria for participating in placement drives.

He also made the students aware about the career opportunities after completion of B.Sc. (Hons.) Agriculture programme. At the end of the session, he provided an open forum

for students to ask questions about training and placement services and clarify their doubts or concerns related to the placement process.

Session 2: Examination System

Dr. Nikunj Sohaliya (Exam Co-ordinator, KIASRC, UTU) gave the brief introduction of examination pattern for the B.Sc. (Hons.) Agriculture. He guided the students about how to be prepare for the examination.

Session 3: Know Your University

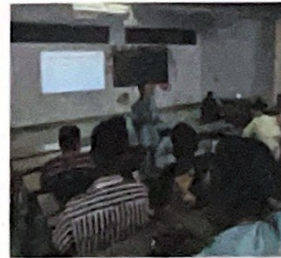

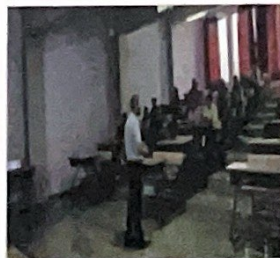

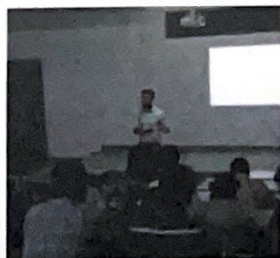

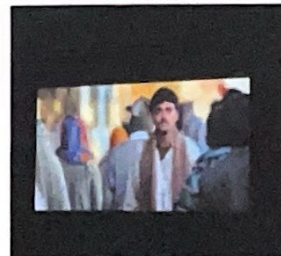

Our new students were welcomed by Ms. Snaa Mistry (Admission Executive, UTU) and she introduced the university with the first-year students. She gave a brief session about the establishment of Uka Tarsadia University and about the rich history of academic excellence. Her talk included a brief discussion about the Research and Innovation, Campus Life and Community and Support of the university.

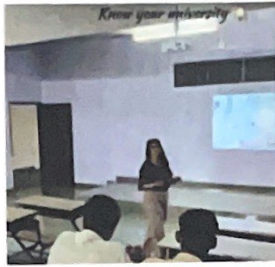

In second phase of this session Dr. Bhrugesh Joshi (Teaching Assistant, CGBIBT) shared the details regarding the University website and Student portal.

Session 4: NSS activity, Sports & Culture

Dr. Hemant Bagul (NSS Co-ordinator, KIASRC, UTU) made the students aware about the NSS activities carried out by our institute and Sports & Various Cells were described by Dr. Kalpesh Raval. Students were getting the detailed information about the NSS and what are the importance of those activities. Dr. Hemant Bagul motivated the students for the participating in sports and NSS events.

Day 2 Highlights: Photos

Concluding Remarks

In this session of orientation program, students gathered the vast knowledge about the university's activities, student training and placement activities, examination pattern and extracurricular activities. They get acquainted with campus facilities, understand academic expectations, and connect with faculty, staff, and peers, ensuring a smooth transition into university life and fostering a sense of community. In conclusion, the entire program aligns with NAAC criteria 5, focusing on student-oriented activities.
