The NSS Unit of Uka Tarsadia University marked a tribute to Shri. Naranji Bhakta on his death anniversary. The event commenced with a ceremonial lamp lighting by esteemed guests, including Shri Kirit Patel, Vice-President, UTU, Dr. Dinesh Shah, Provost, Prof. Dr. R. Krishnamurthy, Research Director, UTU and Director of KIASRC, the NSS Program Officer, NSS Co-ordinators and enthusiastic students (Volunteers).

The key highlights of the event were as follows:

Blood Donation Camp: An altruistic blood donation camp was organized, where, total of 03 units of blood were generously donated by students. This blood donation drive exemplifies the spirit of compassion and benevolence within the university community, with the collected blood samples for use at Shri Sardar Smarak Hospital.

Anaemia Check-up Camp: Anaemia Check-up camp was conducted, screening a substantial number students and staff for anaemia. The university partnered with the Red Cross Society for this important health initiative, reflecting a commitment to identify and address health concerns in the community.

Eye Check-up Camp: An Eye Camp was organised in the campus to check the eyesight of the students and staff of UTU. The objective of the camp was to check the eyesight of the students and staff and provided free spectacles. The event was a fruitful one as many students and staff members benefited from the eye check-up and the timely intervention of the camp helped them to focus on their studies and basic work culture in a better manner.
