An Interaction with Alumnus

Ms. Upasana Patel our student of Year 2013-14 batch of BBA interacted with students of FYBBA on 06/08/2016. The Alumnus shared with the students various lessons of success and importance of management in professional and personal life. She asked them to follow the instructions and advise of faculty members. She shared various incident and challenges faced when she joined the institute.

She asked the students to participate in all the activities organized by the college and university in order to learn organizing skills, leadership abilities and understand the importance of being a responsible person. She also participated in various kindness activities performed in college and thankful for learning life lessons. Upasana received the best student of the college award because of active participation and performed all round activities in college.

The students listened to Upasana Patel with great interest.
