Orientation of First Year Students

On 2nd September 2016 B.V. Patel Institute of Business Management, Computer & Information Technology organised orientation programme for first year BBA and B.Com students. The main purpose of orientation programme was to orient the first year students about various rules and regulations about their curriculum and make them familiar with policies of organization.

Students were given presentation about Course, Curriculum, Continuous Internal Evaluation Criteria and Grade system. Students were also made aware about various clubs and committees of the institute and they were also informed about how to make a best use of website, how they can get various information from UTU website. One expert session was also conducted by Dr. Niyati Desai from Shrimad Rajchandra College of Physiotherapy on “Importance of Postures”. Then after knowledge enhancing games were organised for students like logo identification, tagline identification and founders of various companies. It was a wonderful experience for all the students.
