An Orientation Program on IELTS Exams

The students of B.V.Patel Institute of BMC & IT attended the orientation program on IELTS examination, which was conducted by Ms Tarjani Sheth. In this session she taught the students about different patterns of question paper of IELTS. In the session she gave the task to student to write 5 questions and the neighbour friend has to answer the same. After that

they have to introduce their friend. This type of task was given to students to remove their fear in exams. How important English language is? Examination includes Writing, Reading, Speaking & Listening skill. 3 papers of writing, listening & reading were together and speaking dealt after few days. Total 50 students with Dr. Yagna Vyas attended the session very interestingly.
