B.V. Patel Institute of Business Management, Computer & Information Technology, Uka Tarsadia University

EXPERT TALK ON CLOUD COMPUTING

On 4th January 2017, Development Activities Club of B. V Patel Institute of Business Management, Computer and Information Technology organized Expert talk on **Basics of Cloud computing and its application** by Mr. Prakash Khaire, Head of the Department at The Mandvi Education Society MCA College. He enlightened the students about the history of networking and how the concept of cloud originated. He also highlighted about read and write internet, website crash, types of cloud types of could services, hybrid cloud, public could and other cloud services. He also explained the benefits of using cloud services for businesses.

The event was organized at B. V Patel institute from 12:15 pm onwards. Students of TYBBA, TYB.Com (Comp.App.) and M.Com of B. V. Patel Institute of Business Management, Computer & Information Technology, grabbed the opportunity to enrich their knowledge on cloud computing or internet. The session helped the students to enrich themselves more about latest technologies used in businesses.
