**Session on Cyber Security and Digital Forensics**

BVPian Computer Club organised a session on “Cyber Security and Forensic Science” for the students of S.Y.B.B.A, S.Y.B.Com(Comp. Appl.) and T.Y.B.Com(Comp. Appl). The speaker was Ms.Juhi Patel whose area of interest is digital forensics and she shared basic knowledge regarding Cyber Security,Cyber Space,Cyber Attacks and its preventions. She also provided useful guidance and career opportunities available in this field. The session included real world examples that made the students aware regarding Cyber Security and its needs.
