Industrial Visit at Meril Life Science and Maa Foundation, Vapi

Academic Tour committee of B.V. Patel Institute of Business Management Computer & Information Technology had arranged industrial visit at Meril Life Sciences and Maa Foundation, Vapi on 9th September, 2017. Total 100 Students from TYBBA and TY B.Com had visited company along with Dr. Vijay Gondaliya, Mrs. Nidhi Halvadia, Mr. Taral Patel and Ms. Bhavika Parte.

Meril Life Sciences is a global medical device company dedicated towards design and development of novel, clinically relevant, state-of-the-art and best-in-class devices to alleviate human suffering and improve the Quality of Life, spanning broad operational canvas from vascular interventional devices to orthopedics, in-vitro diagnostics and endo-surgery.

They share an enduring commitment to advance healthcare solutions, so more patients live longer, healthier lives. So, they have a strong commitment towards R & D and adherence to best quality standards in Manufacturing, Scientific Communication and Distribution known today.

Currently Meril has direct sales & representatives offices in India, Germany, Turkey, USA, China and Brazil and strong distribution model spread over 102 countries across continents.

Various sessions were conducted by company's representatives involved in Meril Academy. There were sessions on overview about the company and its product; and motivational talk on how to become successful in one's own life. The students had also visited Meril Studio where different products of company were shown and gave relevant information about the same.

It was a great learning experience for students where they learnt about actual operations of a company and understood the importance of self discipline, right attitude, passion in one's own career.
