**Session on Demonetization at Every Angle**

A session was conducted on “Demonetization at Every Angle” at Manjula Hall, by Mr. Sohil Patel who is a Chartered Accountant by profession. The students of BBA, BCOM and MCOM actively participate in the session which clears their mindset regarding demonetization.

Mr. Sohil Patel has around 10 years experience in the field of CA. He started his talk by getting the opinion of students towards demonetization. During the whole session he emphasized on demonetization and its impact. He explain the whole process of demonetization from the bottom level so it will be easy for students to know that, why demonetization is necessary for India. He explains the terms like black money, grey money which is necessary for the students to know. He also covered the history of demonetization in his talk. Students get clear idea when Mr. Sohil give them live examples of rotation of money in economy, and why it is important for our country. Students shown their key interest and participate in his live examples.

He explains how GDP is affected because of demonetization. So in his whole session he show positive and negative impact of demonetization and by which reasons demonetization is not much impactful in economy. He also added some point of GST in his talk so students get clear idea about one tax. At end of session Mr. Sohi ask the students about their opinion and all students get agree on the same point that demonetization is good decision taken by government.

It was impactful session and students get useful knowledge by this session.
