Alumni Interaction by Manoj Sirvi

One of our proud alumni, Manoj Shirvi interacted with the first year and second year students of BBA and B.Com. He talked with students about what is the difference between our institute's culture and the institute where he is pursuing his MBA in Bangalore. He shared his view with students by saying "In today's era we need well-formed mind rather than well filled mind."

He advised the students and made them understand why to have motto in life is

important. He emphasised on increase the habit of reading and told that how reading habit is helpful to students. He discussed many real world examples of big giant organizations. He also guided the students about appearing in various aptitude exams for getting admission in premier institute. The whole talk was very worthy and helpful for the students. At the last he gave the

answers of few questions raised by students.
