Date: 22nd January 2018

<u>One Day Seminar on Advanced Interface Development</u>

67 students of TYBCOM of B.V. Patel Institute of Business Management, Computer & Information Technology were present in one day seminar on Advance Interface Development on 22th of January 2018 organized by Srimad Rajchandra Institute of Management and Computer Application of Uka Tarsadia University.

The seminar deliberations are being structured to cover the HTML5 Elements and Attributes, CSS3, Template Integration and Bootstrap.

The seminar has started with introduction on HTML5 Elements and it's various attributes with practical demonstration by Mr. Hiren Patel and Template Integration by Mr. Pinkesh Patel. Post lunch session was also overtook by Mr. Pinkesh Patel, he has discussed about Boostrap in .Net with practical demonstration. He has also discussed on how web page can be made responsive and creation of dynamic image gallery and responsive templates. The practical demonstration has increased students learning interest of technologies and framework.
