Distribution of Kites to Staff and Construction Site Workers

As a part of social outreach programme the students of B.V. Patel Institute of Business

Management, Computer and Information Technology distributed 4000 kites among the clerical staff, peons, watchmen, construction site workers and children at Gopal Vidyanagar on 13th January 2012 on the occasion of Uttarayan. It was a

unique experience for everyone. The faces of recipients and the givers both beamed with pleasure.

The idea was doing unexpected favours for others. It perfectly blended with our theme of the occasion “*Feel Good, Smile and Share Happiness*”.
