

Workshop on Flower Arrangement

The Management club of the college organized a workshop on 'Single Flower Arrangement' on 23/01/2012 for the students and faculty of the institute. The resource person was our Director, Dr. Poonam Mittal. The workshop was attended by 700 participants comprising first year, second year and final year students of BBA and B.Com along with faculty members. Required material like, flowers, scissors, cello tape, ribbons, colorful papers, etc. were supplied by the institute. The

resource person demonstrated how to cut and tie paper and ribbon on a single stem of a rose. She also demonstrated various variations of the arrangement. It was heartening to note that participants who had never tried their hands at flower arrangement started producing beautiful work of art right in the first attempt.

At the end of workshop the Institute's dome was full of colorful flower arrangements and cheers. Participants just wondered and admired their creativity.

The workshop was encouraged by our secretary Shri Kirit Patel Sir who visited on the occasion with a special guest.
