Picnic at Saputara

Three hundred students of first year BBA and B.Com concluded their academic year 2011-12

with a daylong picnic to Saputara on 22nd May 2012. On way to Saputara the group spent some time at Gira waterfalls.

The weather at Saputara was cool. Everybody enjoyed boating, horse and camel riding. Many of the students spent their time on shopping of bamboo articles, toys, footwear,

etc. while some went to sunset point which was located at the top most height of Saputara.

This was the best year ending surprise full of beautiful memories for the students.
