

Welcome Get Together

The college decided to don its most colorful look on 17/09/2011 when everyone gathered to celebrate Welcome Get Together-2011 to welcome first year students of BBA and B.com in our fold. Director Smt. Poonam Mittal presided over the function. It was followed by welcome note,

lamp lightening and floral welcome. New students shared their experiences.

Post lunch was full of fun and excitement. As the music began students jumped into the ground. It was difficult to distinguish senior from freshers. The excitement refused to die down even as the announcement for the end was made. The super day came to an end at 5:00 pm in the evening with cold

coco being served to all students and staff.
