Movie Day

It was raining cats and dogs on 22/9/2012. Students were drenched from head to toe. Many came late and many missed their regular buses. The students were in no mood to study. In view of the situation all the students were taken to their respective classes where they were

shown movies. The idea was to supplement our elective subject '*Learning from Movies*' on the one hand and keeping the students constructively busy on the other. Accordingly '*Troy*,

'Catch Me If You Can,' 'Lagaan,' 'Life is Beautiful,' 'Rajneeti,' 'Rocket Singh' and *'Three Hundred'* were screened in different classes. It was an unexpected surprise for everyone.
