Members of RAK Club organized a Kite Flying Day at Kanai School

RAK Committee members decided to donate and fly kites with the tiny tots of Kanai School on the auspicious occasion of Utrayan on 12th January 2013.

It was a very good experience for all the students of kindness club. They experienced the joy of giving and making children happy. Two students of our college were assigned to look after each child. The children were monitored while flying kites.

The required funds were contributed voluntarily by the students from their small savings.
