**Knowledge Sharing by BBA and B.Com Students with the Kids of Kanai Prathmic Shala**

40 students of BBA and B.Com - members of Random Acts of Kindness Club imparted technical knowledge to kids of Kanai School. It was an encouraging effort initiated by college students towards the weaker section of the society. All forty students of the school were taught the mechanism to operate cell phone, how to dial a number and how to receive a phone call. The students of BBA/B.Com taught them the etiquettes of talking on phone. Besides this, the kids also experienced the fun of mobile games. It was a learning experience for both the teacher and the taught. Entire teaching and learning was on one to one basis, one child was taught by one under graduate student of B.V. Patel Institute of Business Management, Computer & Information Technology.
