Plant Visit: Gokulanand Petrofibres– Sachin Udyog Nagar

46 Students of Second Year BBA visited **Gokulanand Petrofibres Plant, Sachin, Surat** on 20th September, 2014.

At the industry the DGM production gave a brief introduction of Gokulanand group, petrofibres plant, its capacity, turnover, raw material and final products. There after students were led to plant visit where they saw various machineries, instruments, different production stages and process of manufacturing of POY - Partially Oriented Yarn, DOY - Draw Textured Yarn and AOY - Air Textured Yarn.

They also learnt various quality standards, safety precaution, etc. followed at the plant. After plant visit, the group thanked the DGM of production department for arranging such a nice trip.
