Plantation Day

On 25th August 2015, B. V. Patel Institute of Business Management, Computer & Information Technology organised “Plantation Day”. The members of the Environmental Club brought plants free of cost from forest department, Bardoli. In the beginning, an awareness speech was has given to students regarding importance and advantages of trees in our life such as:

- Reducing global warming.
- Getting oxygen.
- Environmentally, they are renewable, biodegradable and recyclable.
- Trees are the natural habitat of the animals/birds as well as many endangered species.

The objective of the programme was to inculcate the habit of plantation among the students and to fulfil the motto “ONE HEAD ONE TREE”. All the faculty members and students actively took part in this event.
