Health/Hygiene and Breast Reproduction System**

On 7th August 2015, 50 girls of TYBBA, TYB.Com, and FYM.Com attended a program on Health/ Hygiene and Breast Reproduction System. This awareness program was organised by Women Cell of UTU. Dr.Shital Gandhi and Dr.Gautam Vyas were the guest speakers on the subject.

Dr.Shital Gandhi explained the significance of hygiene in day to day life and importance of food and diet especially for young girls.

Dr.Gautam Vyas discussed the important points on restoration of breast milk.

All the students actively participated and asked many questions in both sessions. Overall the programme was very informative and useful for girls.
