**Environmental Club**

**Sensitization Program towards Garbage Disposal**

Satyamev Jayate episode of Amir Khan - on garbage disposal was screened on 3<sup>rd</sup> August 2015 for all the members of Environmental Club.

The students found it quite informative and motivating. Hence, all members decided to further spread this awareness to other members in the society. Everyone volunteered to sensitize at least two persons in their neighborhood. Also, students promised to educate their mother and maid about segregation of home garbage in two separate containers as wet and dry.

Then on 04/08/2015 some volunteers of the club educated and sensitized the Juice shop and Canteen owners in the campus about the need to keep the dustbins clean. They motivated them to wash the containers with soap and water. In the photo students and canteen boys are seen together cleaning the dustbins. Volunteers also motivated peons to wash the dustbins at regular intervals in our department too.
