"Three days Workshop on Open Source Graphic Tools"

B.V.Patel Institute of Business Management, Computer and Information Technology organized three days workshop on Open Source Graphic Tools for students of final year B.Com(Computer Application) from 7th to 9th January, 2016. The objective of the workshop was to train the students towards image editing and manipulation

through open source tool GIMP (GNU Image Manipulation Program). This tool can be accessed easily by everyone and is highly useful in commercial and business activities.

The resource person was **Mr. Pinkesh Patel**, Assistant Professor at SRIMCA-UTU.

During three days of workshop, students learnt various applications and utilities. Ample hands-on exercises were done by the participants and they were evaluated through a practical test undertaken by them and certificates were given to them.
