

Random Act of Kindness (RAK) & Social Club 2017-18

(A Language Deaf Can Hear and Dumb Can Understand)

Aims and Objectives

Random Acts of Kindness Club was formed in 2005-06 with the objective to inculcate civic responsibilities among the students. The students spread the message of kindness, helping the less fortunate and needy through their active involvement with these people. The idea is to bring community orientation in the professional studies. This is a practical application of the theoretical management concept of 'Social Responsibility'.

The club is headed by the Director and supported by all the faculty members, students and alumni.
