

Maliba is an ideal place for education. It's a better and bigger platform to develop ourselves as a part of education, not just education but worth giving education. The facilities and faculties both are best and perfect to achieve quality education. College is having superb facilities to enjoy learning and experienced faculties for learning with enjoyment. The infrastructure creates perfect atmosphere for study.

Avni U. Patel

B.Sc + M.Sc. (Organic Chemistry)

2013-2018
