

*This college has a wonderful facility like well built and spacious library with sufficient books for referencing and lending, well advanced labs and seminar halls. The education that the college provides is incredible making it accessible to explore the different endeavours of the academic life. The faculty is highly qualified and well versed in their realms of expertise coming together from different walks of life.*

*Namrata G. Patel*

*B.Sc. + M.Sc. (Organic Chemistry)*

*2013-2018*
