Dr. Chunibhai Vallabhbhai Patel College Pharmacy (DCVPCP) organized the "PharmTech 2025" Student startup event for the all year B. Pharm students. The event was graced by the presence of esteemed guests **Dr. Ashish D. Mishra**, Dean of Faculty of Pharmacy and Principal of Dr. Chunibhai Vallabhbhai College of Pharmacy.

The event was evaluated by a distinguished judge, **Dr. Bhavik Satani**, who is seasoned professionals in Industry of herbal plants. The judging panel was tasked with evaluating the startups based on innovation, scalability, business model, and market potential. The judge was actively engaged throughout the event, listening attentively to each pitch and providing constructive feedback on the business ideas presented. After each startup pitch, the judge asked questions regarding the product's feasibility, market research, and growth potential, ensuring a comprehensive evaluation.

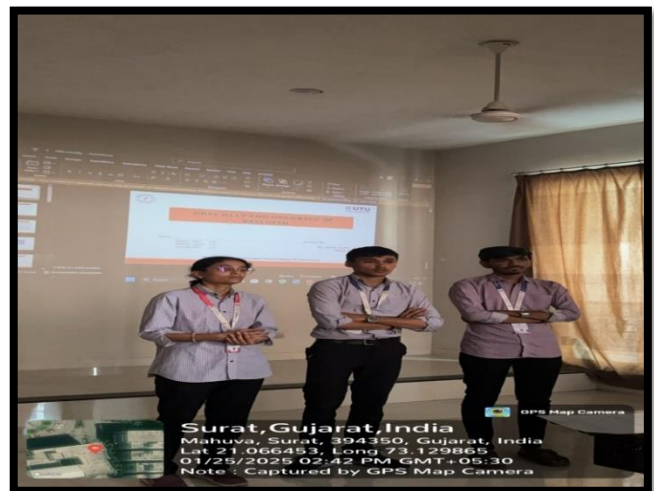

The judges provided valuable feedback to the participants, offering insights on how to refine their business models and improve customer engagement strategies. Dr. Bhavik Satani noted that while the idea presented by students was innovative, the team needed to focus more on a concrete roadmap for scaling and attracting investors. After careful deliberation, the judges selected the winner, acknowledging their unique approach to solving problem and their clear business strategy. The judges appreciated the quality of presentations and the potential of the startups, stating that all participants demonstrated remarkable entrepreneurial spirit.

Students and faculty shared insights importance of startup activities, understanding, emphasizing the value of diversity in academic and professional environment.

The event not only provided a platform for startup expression but also served as a memorable event for all the participants by inspiring them to embrace the future with confidence, dedication and spirit of innovation.

Glimpse of the Events
