

SHRIMAD RAJCHANDRA COLLEGE OF PHYSIOTHERAPY

TOPIC OF EXPERT LECTURE: CLINICAL APPLICATION OF ORTHOSIS & PROSTHESIS

DATE: 3RD JULY 2023 (MONDAY)

EXPERT SPEAKER: DR. PRADEEP SINGH CHAUHAN (B.O.T.)

CO-ORDINATOR: DR. BHAVIK JHAVERI (PT)

Shrimad Rajchandra college of Physiotherapy organised an Expert Lecture on “Clinical Application of Orthosis & Prosthesis” for 2nd year MPT & 4th Year BPT. Dr. Pradeep Singh Chauhan who has been working as an Orthotist & Prosthetist for more than 20 years was the invited speaker for the session.

In the beginning of the session, he provided basic introduction about why, how & when to use orthosis & Prosthesis for various musculoskeletal/neurological conditions. He also discussed various contraindications in which one cannot prescribe orthosis/prosthesis. In the later half of the session he showed practical demonstration of various Orthosis & Prosthesis devices and also showed how to take foot assessment using force plate. Indeed this was an extremely interactive and knowledge enhancing session which will be definitely useful to all the attendees in their clinical practice. Total 5 faculties and 91 students attended this expert session.
