NO. OF STUDENTS PARTICIPATED: 94 **SEMESTER: 5th**

WORKSHOP CONTENT:

Shrimad Rajchandra College of Physiotherapy organized One day Expert talk on “**Radiological Assessment**” for 5th Semester Bachelor of Physiotherapy students on the 4th and 10th of August 2023. Dr Snehal Patel, Assistant Professor at Shrimad Rajchandra College of Physiotherapy was the Expert for the topic. 94 students in third year participated in the expert talk. Students learned about different types of Radiological features in X-ray,CT Scan, MRI and Ultrasonography. The major aim of the expert talk was to identify different structures which are normal and abnormal in X-rays and MRI. The session included hands on films assessment for different X-rays and MRI. The session will help students in clinical as well as in the research field. Throughout the talk, various queries regarding the topic were solved and discussed.
